

Congratulations on the purchase of the Extendobed® cargo handling system. Your Extendobed has been designed and built with the highest quality materials and workmanship to provide years of trouble-free operation. Thank you for the confidence you have placed in our company with your choice of product.

WHAT'S INCLUDED

When unpacking your Extendobed, closely check that all parts are included. Items such as the energy chain, drawer keys, and mounting hardware, should be attached to the deck nearest the locking handle or in a drawer (if equipped) closest to the locking handle. *Please note: Mounting hardware will vary based upon the year, make and model of your vehicle, and will be bolted to bottom of shipping pallet. Refer to your vehicle in our Installation Guide for any specific mounting brackets and hardware.*

LIMITED 20 YEAR WARRANTY

YEAR ONE

Subject to the remaining provisions contained in this warranty, EXTENDOBED **warrants its frame and anchor assemblies, mounting brackets and stops against defects in material and workmanship** under normal use and service, ordinary wear and tear excepted, for the earlier of one (1) year after the date of purchase, or the period in which it remains owned by the original purchaser and installed on the original vehicle. In every case, this first year warranty covers only the repair and/or replacement of defective parts and reasonable labor charges as pre-authorized by Extendobed and does not provide for reimbursement of the retail price of the parts or product, shipping charges, or travel time.

YEARS TWO TO TWENTY

Subject to the remaining provisions contained in this warranty, EXTENDOBED **warrants its frame and anchor assemblies, mounting brackets and stops against defects in material only** under normal use and service, ordinary wear and tear expected, from one year after the date of purchase and continuing for the earlier of twenty (20) years from the date of purchase, or the period in which it remains owned by the original purchaser and installed on the original vehicle. In every case, this remaining warranty covers only the repair and/or replacement of defective parts as pre-authorized by Extendobed and does not provide for reimbursement of the retail price of the parts or product, labor, shipping charges, or travel time.

GENERAL

If there is a covered warranty issue during the applicable warranty period, your Extendobed will be replaced or repaired, at Extendobed's discretion, by your local Extendobed dealer or a pre-authorized Extendobed representative, when returned. **If the issue resulted in whole or in part from alteration, modification, or improper installation or use, including, without limitation, loading the product beyond the factory disclosed load capacity or the vehicle beyond the federal GVWR, or otherwise violating the rules of operation, all express and implied warranties for the product are null and void and Extendobed is not liable in any manner including any requirement to replace or repair such product.**

This warranty applies only to the Extendobed frame assembly, stops, and anchor assembly, and does not apply to accessories such as utility boxes, roller bearings, platforms, bins, wood decking materials and the like, whether such accessories are supplied by Extendobed or whether supplied by others. Products used by Extendobed that are supplied by other parties such as roller bearings, latches, power drives and the like are covered **only** by the original manufacturer's warranty for their particular parts.

Subject to applicable law:

- **EXTENDOBED (and our dealers) MAKE NO OTHER WARRANTY REGARDING THIS PRODUCT, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**
- Extendobed (and our dealers) not liable for any direct, incidental or consequential damages associated with any Extendobed products.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

RULES OF OPERATION

Operate your Extendobed only in stationary and level conditions.

- Your vehicle must be safely parked in a level position before using your Extendobed.
- Extend and retract your Extendobed slowly.
- Your load must be evenly distributed. Do not exceed your Extendobed's load capacity or your vehicle's GVWR.
- Extendobed must be fully retracted and the locking handle engaged before moving your vehicle.
- Be mindful of your vehicle weight and load when accelerating, braking, and cornering.

FAILURE TO FOLLOW THESE RULES MAY RESULT IN DAMAGE TO YOUR EXTENDOBED AND VEHICLE AND TO OTHER PROPERTY, AND IN PERSONAL INJURY AND DEATH.
